

## I CAN SAY I'M SORRY

It's ok... Feels like I lied only yesterday  
It's a year today  
It's ok... I'm saving the truth for a rainy day  
I guess it's raining today

And I...  
I can say I'm sorry but I just can't begin  
I can say I'm sorry but it won't change a thing  
No it won't change a thing  
No it won't change a thing

Rise and shine, walking the ghost yet another mile  
As I fake a smile  
Never mind, I was saving it all for a better time  
I guess it's never the time

And I...  
I can say I'm sorry but I'm frozen within  
I can say I'm sorry but it won't change a thing  
No it won't change a thing  
No it won't change a thing

Na na na na... Na na na na  
Na na na na... Na na na na  
No it won't change a thing  
Na na na na... Na na na na  
Na na na na... Na na na na

It's ok... Feels like I lied only yesterday  
It's a year today...  
It's ok... But I can't keep it in for another day  
Why is it so hard to face?

And I...  
I can say I'm sorry but I just can't begin  
I can say I'm sorry but it won't change a thing  
No it won't change a thing  
No it won't change a thing

Na na na na... Na na na na  
Na na na na... Na na na na  
No it won't change a thing  
Na na na na... Na na na na  
Na na na na... Na na na na
