

## WHERE ARE YOU

Where are you ?  
Are you where the skies are blue ?  
Are you playing with the sun or talking with the moon ?  
Where are you? where are you ?

How are you ?  
Is your life today still blue ?  
As you hid inside so long, but not enough for those who new  
How are you ? how are you ? how are you ?  
Would you send me please some news

How is life for you out there ?  
Are you dancing on a rainbow lane ? are you singing in the rain ?  
Will you help me understand ?  
Will you be my chosen angel now ?  
Will you take me by the hand and meet me at the end ?

Is it true that your friends they welcome you ?  
Does the road to nowhere now lead to somewhere new ?  
Is it true ? is it true ? is it true ?  
Will you help me see it through ?

How is life for you out there ?  
Are you dancing on a rainbow lane ? are you singing in the rain ?  
Will you make me understand ?  
Will you be my chosen angel ?  
Will I find you right at the end ? right at the end
