

CUSTOMIZED LOVIN'

She's over the road and shakin' it down
I'm gonna give her a ride, she's the talk of the town

Talking to me till the morning light
I'm a devil man, I'm lovin' the size

Gonna set up the scene with beautiful lies
I'm gonna fill up her needs, she's gonna be mine
Getting mean and it ain't so clean
I'm ready to go, she's a lovin' machine
