

The call

Don't call me up
I won't answer this time
You've had your chances
And you blew them all
So, fine.....

No, I won't regret it
I won't take this load on me
I try, try to forget it
Yes I'm already on my way....

The higher they fly
The harder they fall
I've been waiting for this moment to come
I played all my cards
The stake was on you
Now there ain't a single reason to stay
And wait for your call

You know I'm done
I give up
I'm afraid that I could loose again
But hey, it's not an illusion
That's just the price I've got to pay, yeah....

The higher they fly
The harder they fall
I've been waiting for this moment to come
I played all my cards
The stake was on you
Now there ain't a single reason to stay
And wait for your call
To wait for your call...no

The higher they fly
The harder they fall
I've been waiting for this moment to come
I played all my cards
The stake was on you
Now there ain't a single reason to stay

The higher they fly
The harder they fall
I've been waiting
For you to take over
And I spent a life just waiting
For someone to call
