

Ruby tuesday

She would never say where she came from
Yesterday don't matter if it's gone
While the sun is bright
Or in the darkest night, no one knows
She comes and go

Goodbye ruby Tuesday
Who could hang a name on you
When you change with every new day
Still i'm gonna miss you

Don't question why she needs to be so free
Oh, she'll tell you it's the only way to be yeah
She just can't be chained
To a life where nothing's gained
And nothing's lost, at such a cost

Goodbye ruby Tuesday.....

There's no time to loose, i heard her say
Catch your dreams before they slip away, away

Goodbye ruby Tuesday.....
