HUSH

I got a certain little girl, that's on my mind no doubt about it, she look so fine she's the best girl that i've ever had sometimes for sure make me feel so bad

na, na, na.....

hush, hush, i thought i heard callin'my name now hush, hush, she broke my heart but i love her just the same now hush, hush, i thought i heard callin' my name now hush, hush, i need her love and i'm now not to blame now

I've got her early in the morning I've got her late in the evening oh, i wanna never need it now oh, gotta, gotta have it gotta have it now

She's got lovin' like quick sand only took one touch of her hand blow my mind and i meant so deep i can't eat all i can't sleep

na, na, na.....

hush, hush, i thought i heard callin' my name now hush, hush, she broke my heart but i lover her just the same now hush, hush, i thought i heard callin' my name now hush, hush, i need her love and i'm now not to blame now
